### Conditions

**By participating to this prize competition, you acknowledge and agree on the following terms and conditions:**

The research project described in your application has not and will not be sponsored by any other companies. An independent board will analyze your application and the description of your research project ("Independent Board"). This Independent Board will choose the winner of the prize competition. The choice of the Independent Board will be based on the feasibility of the project, the contribution of the applicant to the project and the contribution of the project to nutrition sciences. Your research project shall be sent in writing to the Independent Board by the 31st of January 2020. You may be required to present the main results of your research project during a congress. You will be present during the award ceremony for which, the date and place will be communicated one month in advance. United Pharmaceuticals and its partners are authorized to communicate your name, the title and the results (when published) of your research project through their website or by any other mean and on any support. The prize will be granted in compliance with any applicable law and regulation and in particular, any applicable anti-gift law and regulation. For this purpose, you will be required to perform any specific task provided by any applicable law and regulation. You will act in compliance with any applicable law and regulation and if applicable, you will declare the benefit of the prize to any local authority in compliance with any applicable local law and regulation. There is no conflict of interest between you and United Pharmaceuticals. You agree to the processing of your personal data for the purpose of this prize competition. Pursuant to the general data protection regulation dated 27 April 2016, United Pharmaceuticals ("UP") is the data controller of your personal data. The processing of your personal data is based on your consent. The following personal data will be processed: first name, last name, age, address, email address, academic background (diplomas and publication titles), as well as, if applicable, the prize amount, your bank references and the date on which you received the prize amount. The purposes of this data processing are the following: i) organization of this prize competition, ii) assessment of each research project, iii) granting of the prize competition to the winner, iv) institutional communication related to the prize competition made by UP and/or its partners iv) compliance with any applicable law and regulation.

Your personal data will be kept for the duration of the prize competition and if you are the winner, for the achievement of your research project. Your personal data will be then archiving according to the legal requirements.

You have the right to access and to correct your personal data. To the extent permitted by law, you have the right to erase and to oppose to the processing of your data. In addition, you have the right to limit the data processing of your data and to data portability. You have the right to withdraw your consent at any time. However, please note that if you withdraw your consent, your application will also be withdrawn from the prize competition process since your personal data are necessary for the prize competition process. Last, you are informed that you can submit a claim to the French data protection agency called the "CNIL" by writing to the following address: 3, place de Fontenoy, 75007 Paris.
